## *Teen Courtesy Ambassadors*

Get Ready to *MAKE A DIFFERENCE!*

Social Charms 101 is currently looking for Middle and High school students to serve as volunteer Courtesy Ambassadors in their community.

**Purpose:**

To promote a social culture of courteous and respectful behavior among peers.

**Commitment:**

Ambassadors serve at will but are requested to commit to 1 year of service.

**How:**

Courtesy Ambassadors are committed to improving their communities by encouraging the use of courtesy words and courteous behavior. Through group collaborations they will design a Courtesy Campaign using creative vehicles including posters, interviews, and presentations to be shared at local school, church, and community events.

Ambassadors will meet once a month to work on campaign details using monthly agendas to increase awareness of the power of courtesy words. Will also strategize to encourage community civic and business leaders, athletes, and local citizens to commit to participation, and use social media to further promote courteous social behavior and the use of courtesy words.

Local adult volunteers will serve as supervisory mentors for all courtesy campaigns.
